## TRAVEL ALERT

Please be aware that there are many aggressive representatives of various resorts and timeshare properties, located at the airport, they work only on commission and will offer you many discounts just to persuade you to go to their resort. They work in the area immediately following customs and will approach you inquiring about your transportation plans.

**WE STRONGLY RECOMMEND THAT YOU GO STRAIGHT THROUGH THE AIRPORT AND DO NOT EVEN TALK TO THESE PEOPLE! THERE SHOULD BE NO REASON AT ALL FOR YOU TO GIVE ANYBODY ANY MONEY!**

After you go through immigration, pick up your luggage and pass customs, you will see a room with timeshare booths, Avoid these people and take the **RIGHT SIDE EXIT** that reads, "**Ground Transportation, Taxis & Buses.**"

At this exit, you will find a **TRANSCABO** representative wearing an orange polo shirt, holding up a sign with the company's logo. He/She will transport you to your resort. It is very important that you take the **right hand exit** otherwise you won't be able to find our transportation. If you take a taxi or any other means of transportation credit will not apply.

Please show this voucher to the representative and keep it for your return to the airport. At this time, arrangements for the time of pick up for departure will be made. Please contact GBS Customer Service immediately if you have any question at 1-877-436-7232

**CANCELLATION POLICES:** Cancellations or changes must be made at least 24 hours prior to your arrival. A cancellation fee will apply.
